## Goal #1 Goal

85% of students will meet growth goals for DIBELS assessments; 85% of students will be proficient on SAGE ELA

---

## Academic Areas

- Reading

---

## Measurements

DIBELS administered and reported 3x/year  
SAGE administered 1-2x/year  
Teacher-Developed Common Formative Assessments

---

## Action Plan Steps

Each of the steps listed below will be implemented and followed by all classroom teachers. Through time allocated for curriculum development teachers are working on the activity plan. In addition, specific professional development opportunities are being planned to help in the accomplishment of this goal.

1. Follow a guaranteed and viable scope & sequence map aligned with Utah Core Standards
2. Emphasis on unpacking and sequencing reading standards.
3. Develop and teach standards-based units and assessments.
4. Teach Common Core vocabulary.
5. Pursue innovative opportunities to integrate curriculum.
6. Grade level and vertical collaboration through PLC's.
7. Professional Development that is scaffolded, relevant, and researched-based.

8. Differentiation and intervention through a comprehensive RtI program. Specific books are purchased for the use in RtI to provide appropriately leveled materials for students.

## Expenditures

Professional and Technical Services (300)	Professional Development will be provided for teachers to support the most effective practices in literacy within their classrooms. Teachers will be working with experts at Utah State University and throughout the field to receive specific training meeting their needs in literacy.	\$3,400
Library Books (644)	Books will be purchased for our Leveled Library to support areas of need for students. These books are used for Tier 1 & 2 instruction and are available for all aides and teachers to check out.	\$4,000
	Total:	\$7,400

## Goal #2 Goal

85% of students will be proficient on end-of-year math SAGE assessments; 85% of students will be proficient on K-2 grade level math skills assessments

## Academic Areas

- Mathematics

## Measurements

Grade level skills assessment  
SAGE administered 1-2x/year  
Teacher-developed common formative assessments.

## Action Plan Steps

Each of the steps listed below will be implemented and followed by all classroom teachers. Through time allocated for curriculum development teachers are working on the activity plan. In addition, specific professional development opportunities are being planned to help in the accomplishment of this goal.

1. Follow a guaranteed and viable scope & sequence map aligned with Utah Core Standards
2. Review unpacked standards for math
3. Develop and teach standards-based units and assessments.
4. Teach Utah Core vocabulary.
5. Pursue innovative opportunities to integrate curriculum.
6. Grade level and vertical collaboration through PLC's.
7. Professional Development that is scaffolded, relevant, and researched-based.
8. Materials will be purchased to support all learners needs at their instructional level. These materials will be used in both classroom instruction and during RtI.

## Expenditures

Professional and Technical Services (300)	Professional Development will be provided for teachers to support the most-effective practices in mathematics within their classrooms. Teachers will be working with experts at Utah State University and throughout the field to receive specific training meeting their needs in numeracy.	\$3,400
	Total:	\$3,400

## Goal #3 Goal

85% of students are proficient in writing using grade level rubrics based on SAGE writing rubrics; 85% of students will be proficient on end-of-year SAGE assessments

## Academic Areas

- Writing

## Measurements

SAGE Writing Assessment 1-2x/year  
Grade level rubrics

## Action Plan Steps

Teachers will continue work on unpacking writing standards and developing the most effective strategies for improving instruction. Through the support of Curriculum Development days and Professional Development, specific rubrics and strategies will be put into place, and used as a topic of collaboration and vertical articulation. The steps outlined below will be followed to complete our goals for writing.

1. Follow a guaranteed and viable scope & sequence map aligned with Utah Core Standards
2. Finish unpacking standards for writing
3. Creation of grade level goals, and school-wide scope and sequence for writing
4. Development of grade-level rubrics, and strategies for implementation.
5. Professional development for effective writing strategies.
6. Differentiation and intervention; methods for supporting student success.
7. Handwriting without Tears program will be purchased for students in grades 1-3 to prepare them for success in writing. Students will learn proper technique in writing as they are taught other foundational writing skills.
8. Keyboarding without Tears, a subset of Handwriting without Tears, will be utilized to build the keyboard skills of students beginning in grade 2. This software allows students to practice and improve which will be a benefit for SAGE assessments which include typing.

## Expenditures

Professional and Technical Services (300)	Professional Development will be provided for teachers to improve their student's success in writing. Teachers will receive training in writing, rubric development, and continued work on curriculum development and vertical articulation across the grade levels.	\$3,400
Textbooks (641)	The Handwriting Without Tears program is used in grades K-3 to develop the transcriptional fluency necessary for writing development. Teachers use the program to teach both manual and cursive handwriting at a developmentally appropriate level while supporting students fine motor skills.	\$3,200
	Total:	\$6,600

## Goal #4 Goal

85% of students will be proficient on SAGE science assessments; 85% of students will be proficient on science common formative assessments

## Academic Areas

- Technology
- Science

## Measurements

SAGE Assessment  
Project base learning with rubrics  
Teacher developed common formative assessments

## Action Plan Steps

The steps of the activity plan are outlined below and will be followed to assure students make adequate progress and achievement in science.

1. Follow a guaranteed and viable scope & sequence map aligned with Utah Core Standards
2. Unpack standards for science
3. Include community experts with class instruction and utilize USU resources
4. Provide authentic science practice. Supplies will be purchased for STEM initiatives and classroom maker-spaces to support inquiry-based science instruction.
5. Professional Development on inquiry-based science instruction
6. Differentiation and intervention, particularly on science vocabulary

## Expenditures

Professional and Technical Services (300)	Professional Development will be provided to teachers to support the continued development of science curriculum and implementation of most-effective practices.	\$3,400
General Supplies (610)	Supplies will be purchased to support advanced learners particularly in the area of science. The materials will be cataloged in the leveled library and available for teachers to check out when doing enrichment projects.	\$8,000
Total:		\$11,400

## Goal #5 Goal

Emphasize and improve upon the practices as stated in the EBL Mission Statement.

## Academic Areas

- Reading
- Mathematics
- Writing
- Technology
- Science
- Fine Arts
- Social Studies
- Health
- Foreign Language

## Measurements

Teacher, parent, and student surveys and feedback

## Action Plan Steps

Edith Bowen has been working through a process of evaluation and improvement over the last several years. This process, the Journey Plan, has helped to focus on our mission as a laboratory school and the steps towards success. Throughout this process we have identified specific steps to be completed which will help us in making progress, these are outlined in our activity plan below.

1. Continue the use of the Individual Development Plan, with observations and coaching to support growth
2. Implement and complete the Improving Instruction process
3. Utilizing most-effective evidence-based practices within the classroom.
4. Improve our role as mentor teachers through training and support from TEAL
5. In order to support the initiatives in of our mission and vision we are implementing a school-wide STEM curriculum. This curriculum creates vertical maps of skills and knowledge that support STEM initiatives to prepare for college and career readiness. Tools, materials, and training will be provided to teachers and students in the implementation of this curriculum.

## Expenditures

Professional and Technical Services (300)	Part of implementation of our mission statement is to use most-effective practices. It is our belief that through developing the leadership abilities of students we are strengthening their capabilities within the classroom. We will continue our work as a Leader In Me school as it lends support to the other goals of our School Improvement Plan.	\$3,400
Total:		\$3,400

## Summary of Estimated Expenditures

Professional and Technical Services (300)	\$17,000
General Supplies (610)	\$8,000
Textbooks (641)	\$3,200

Library Books (644)		\$4,000
	Total:	\$32,200

## Funding Estimates

Estimated Carry-over from the 2016-2017 Progress Report		\$3,641
Estimated Distribution in 2017-2018		\$28,834
	Total ESTIMATED Available Funds for 2017-2018	\$32,475
Summary of Estimated Expenditures For 2017-2018		\$32,200
	<b>This number may not be a negative number</b> Total ESTIMATED Carry Over to 2018-2019	\$275

## Increased Distribution

*The 2017-2018 distribution in this plan is an estimate. If the actual distribution is more than the estimate, how will additional funds be spent to implement the goals described in the plan?*

EBLS will be adding 6th grade beginning in the 2017-2018 school year. Two new teachers will be added to the staff, plus three replacement teachers will be hired prior to the next school year. The increased distribution will be utilized for professional development of these five new staff members during the school year.

## Publicity

- Sticker and stamps that identify purchases made with School LAND Trust funds.
- School newsletter
- School website
