4. **Role of the SCC**
Principal Justis reviewed the main responsibilities of the School Community Council with the members. The School Community Council assist with the elections in the Spring, assist with the Teacher and student success plan, Teacher Student Success Act (TSSA) plan and Land trust both address the school’s highest academic needs and improvement goals. Also, SCC assist with the digital citizenship and safety principles, discussion and plans, this additional responsibility provides training, workshops about safety. Principal Justis shared with the members of the School Community Council how the School Land Trust funding is allocated. The school uses this money for Field Experiences, Professional Development, books, handwriting curriculum, supplies for the science curriculum.  
The Council is to review the student performance data and makes improvement plans. The key areas are reading, math, writing, and science, communication (Parent Square) school administration and teachers want to stay well connected with parents. The Community Council advices and gives input on how to use funds for the TSSA plan.

Questions & Discussions were held about Land Trust funding allocation.
5. Review Rules of Order and Procedure and SCC Training

Principal Justis went over the rules with the members of the School Community Council.
